They have to be there. Every traitor will be there. It is the best time.

Imagine how hard it would be to coordinate arrests in 50 states.

My fantasy: Our merciful GEOTUS gives congress a last chance by providing the irrefutable "kill-shot" proof of fraud before the vote to certify electors. Those that still vote to certify are arrested. That would be WILD

Extra salt on ANTIFA's popcorn too, make them gag after their first bite, a little taste of what's to come

1 Actually, 1/3/21 will be the day they are all there to swear in new members and elect leaders.

▼ If only ten more democrats than republicans get hauled away, the remaining republicans will pick the new Speaker.

1 You'll know who they are on the 6th. The swamp is too deep and too broad for them to get surprised on the sixth. They traitors won't be there is my guess.
